

Endorsement process for new ITT qualifications

Standards Verification UK (SVUK) is organising three half-day events in March 2007. These events are aimed at qualification designers and those who have to get qualifications through SVUK's endorsement process. The events will provide information on the SVUK endorsement process to ensure new ITT qualifications are endorsed for September 2007. Institutions are invited to send two delegates to one of the events listed below:

- 13 March 2007 – Leeds – Higher Education Institutions
- 14 March 2007 – London – National Awarding Bodies
- 15 March 2007 – London - Higher Education Institutions
