

Online consultation for Proposed Licensing Model

1. Standards Verification UK wants to implement changes to the current arrangement for endorsing each individual initial teacher training qualification, we would like to move to a model where organisation, 'are licensed' to offer initial teacher training qualifications, and can add to the suite of qualifications they provide without having to submit separate applications for each of these for endorsement. In principle, would you support such a move?

Yes	92%
No	1%
Not sure	7%

2. There are different bodies that could potentially be licensed to provide initial teacher training qualifications. Please indicate which type or types of organisation you consider should be licensed

Higher education Institutions	96.3%
Awarding bodies	78.0%
Learning providers in the FE/learning and skills sector delivering ITT programmes	40.3%
Other	2.4%

3. Standards Verification UK proposes that the application process and evidence for licensing should use naturally occurring evidence to demonstrate fit for purpose systems and procedures that assure high quality provision. Please indicate which of the following forms of evidence you think are relevant to licensing

Evidence presented by Ofqual/QCA for awarding body accreditation	70.7%
Evidence presented to validation panels for internal course approvals	75.6%
Centre approval records	56.1%
Self assessment or self evaluation documentation	76.8%
Inspection reports	73.2%
QAA Institutional Audit reports	52.4%

4. Would you be willing to make evidence available on an annual basis to enable risk based monitoring arrangements to be determined?

Yes	65.9%
No	4.9%
Not sure	29.3%

5. Please indicate the type(s) of organisation you work for:

Higher Education Institution	59.8%
Awarding Body	13.4%
Learning Provider in the FE/learning and skills sector delivering ITT	30.5%
Stakeholder agency	2.4%
Other	1.2%

6. Are you responsible for any of the following:

Quality assurance	69.5%
Curriculum development	81.7%
Audit	28.0%
Self Assessment/Self Evaluation	70.7%
Validation	53.7%
Accreditation	34.1%
Delivery of ITT programmes	80.5%
Getting qualifications endorsed by SVUK	64.6%
Other	4.9%

7. How would you prefer SVUK to gather information and evidence for licensing from your organisation:

By interview	43.9%
Logging onto a secure location on your internet page	19.5%
Requesting you post the hard copies	9.8%
Requesting you post on a CD or other electronic device	26.8%
Requesting you transfer files electronically e.g. email	70.7%
Other method	2.4%

8. Following consultation and feedback if it is agreed to move to a licensing service what length of time do you think a licence should have?

12 months	0%
3 years with annual monitoring	52.4%
In line with validation/ accreditation period of qualification	47.6%
Other	2.4%
